## Preston Bailey

George Bernard Shaw once said: *"You see things and say, 'Why?' But I dream things that never were and say, 'Why not?'"* That quote embodies how Preston Bailey approaches every event. He has become especially renowned for his ability to completely transform raw, ordinary spaces into sumptuous, theatrical environments, translating his clients' visions into awe-inspiring reality.

His work is often referred to as art installations. With the advent of new technologies in areas such as lighting, tent design, and image projection, clients are no longer held to the limits of their imagination; the impossible is now possible. From a tree that encompasses an entire ballroom to twenty-foot-tall floral peacock sculptures, anything you can dream we can create.

Because of Preston's desire to create original events, he has attracted A-list clientele such as: JENNIFER HUDSON, IVANKA TRUMP, DONALD TRUMP, OPRAH WINFREY, JOAN RIVERS, DONNA KARAN, LIZA MINNELLI, LAURENCE FISHBURNE, BILL COSBY, MR. & MRS. MATT LAUER, MICHAEL DOUGLAS & CATHERINE ZETA-JONES, MR. AND MRS. REGIS PHILBIN, UMA THURMAN, and ROYAL FAMILIES across the globe.

He is the author of the best selling books: *Design for Entertaining*, *Fantasy Weddings*, *Inspirations* and *CELEBRATIONS*. Preston's passion for his work has led to many public speaking engagements and numerous television appearances. At any time, one might see Preston on: *The Today Show*, *The Oprah Winfrey Show*, *Entertainment Tonight*, *Access Hollywood*, *Extra*, CBS's *The Early Show*, and *Access Hollywood*. He regularly appears in dozens of publications including *Town & Country*, *Vogue*, *Vanity Fair*, *Elle Décor*, *The New York Times* and the *NY Post*.

## Compassion With Purpose

For more than one hundred twelve years, Ladies Hospital Aid Society (LHAS) has played an integral role in Western Pennsylvania, meeting the needs of thousands of patients, their families, healthcare professionals and staff by donating over \$14 million. Through a variety of fundraisers, LHAS is able to sustain its mission and purpose by providing educational, financial, medical and social services to the community.
